

Activity Name	Sing Hate Speech
Goals	<ul style="list-style-type: none"> ➤ Know that hate is not a simple dislike but it does involve discrimination though songs as well. ➤ Be aware of Hate speech as a phenomenon that includes the expression of opinions, ideas and feelings verbally through art and especially songs in an indirect way. ➤ Be aware of the consequences of hate speech indirectly
Description	Tutors give the song to the participants to listen to and give them the instruction to spot the hate speech in it. It is worth mentioning that it is recommended that each country give a song in the local language so participants can understand that the phenomenon starts locally and expands. Participants should identify where the hate speech is located in the song.
Type of activity	Song
Duration	40-50 Minutes
Space & Materials	<p>Space: A spacious room.</p> <p>Materials: Paper, handouts, Flipchart, markers to write/capture where they detect hate speech in the song.</p> <p>Wi-Fi access to have the song or downloaded before they implement the activity.</p>
